

Quick Guide GeniusOne® Payments

Powered by **stripe**

To Get Started

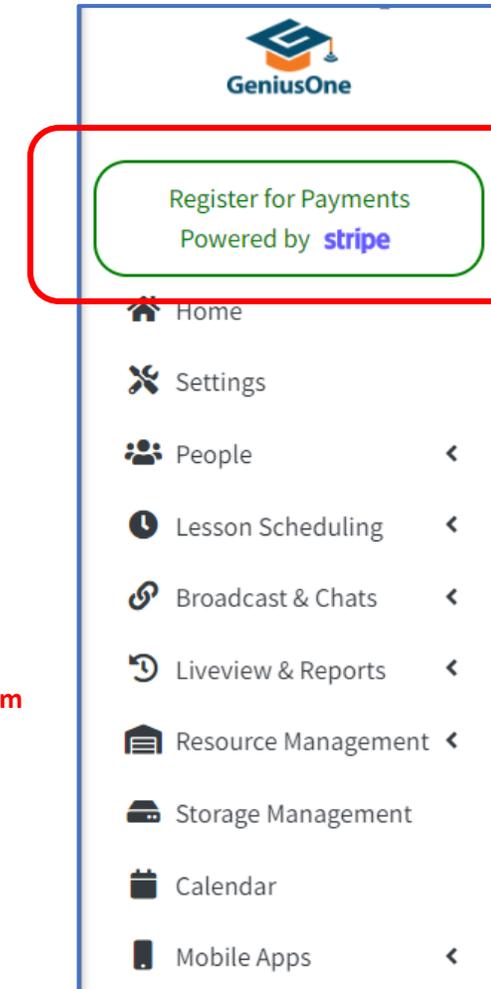

Registering and Request a Merchant Account is a 2-step process.

Step 1: Registering for Payment with Stripe

STEP 2: Configuring GeniusOne® Payment Dashboard

Step 1: Register and Onboard On GeniusOne® Payments – Powered by Stripe

- Click on the 'Register for Payments – Powered by Stripe' option on your Main Panel.
- This will redirect you to a simple Onboarding Page. Fill out the relevant information for your business here.
- You will also be asked to create a New Password here. **The GeniusOne Payment Dashboard is protected behind a second password, which should be different from your main GeniusOne Login Password. This is to ensure a privileged access to the Payment Dashboard. If the Password is changed at any time, a warning and confirmation email will be triggered to your registered email ID. The password will *only* change when you confirm it by clicking on the link in the email.**
- Expect an email from Stripe to create a Stripe Dashboard password. The login ID will be your GeniusOne registered email ID or the email ID mentioned during the Payment Profile creation. The URL should read <https://connect.stripe.com>

Configuring GeniusOne® Payment Dashboard Portal

- To start receiving payments from the parents, you will need to configure the **GeniusOne Payment Dashboard**.
- On the Menu bar, you will find a **Toggle switch**. This switch will allow you to disable the payment option in the Parent app until you are ready to accept payments. Even if your Merchant Account is activated, this option will allow you control on when you can actually start receiving payments.
- **Home:** This option will display graphical information about your payments and list the most recent payments done
- **Payments:**
 - **Transactions:** List of all transactions done.
 - **Payment Summary:** This option has the list of recent payments, payment summary and list of Pending and Paid payments. The list can be filtered with Month, Year and Payment Status.

Configuring GeniusOne® Payment Dashboard Portal

- STUDENT LIST: List of Students and their corresponding Fee Structure assigned to them
- FEE STRUCTURE: Add multiple fee structure based on your operations and Add Students to them. This will then Automatically reflect on the Parent App.
- REMINDERS: Add Auto Reminders here. Choose the 2 days of the month when these will be triggered. Click on the information icon to know more. You can also customise the message that will be sent as an Auto-reminder. You can also send custom Reminder (similar to Broadcast Messages)
- PAYMENT LINKS: Payment Links are used to create an occasional or infrequent payments like New Student Registration or Payment for an Event.

The screenshot displays the GeniusOne dashboard for configuring auto reminders. On the left is a navigation sidebar with the GeniusOne logo and menu items: Evolve Portal, Turn off Payment Option, Home, Fee Structure, Payments, Student List, Reminders, Payment Links, and Terms & Conditions. The main content area is titled 'Auto Reminder' and includes a '+ New Reminder' button and a 'View Reminders' button. Below these are two input fields for 'Day 1' (containing '25') and 'Day 2' (containing '26'). A message editor follows, with a note: 'Message: * (Upto 500 Chars Only) Use Enter to Change Line'. The editor contains the text: 'It's time to pay your fees. Please use the GeniusOne Parent App's Online Payment option to pay your fees conveniently with a few clicks. You will receive a payment confirmation from GeniusOne when your payment is successful. Please disregard this message if you have made a payment recently. Thank you'. The footer of the message area reads 'GeniusOne Model Centre'. At the bottom left of the dashboard, there is a 'Select Language' dropdown and a note 'Powered by Google Translate'. The top right corner shows the user's name 'Attenborough Centre' and navigation links for 'Home' and 'Reminder'.

Charges for GeniusOne® Payments

GeniusOne will not charge any additional subscription fees to use our Online Payment services. However every transaction done through GeniusOne will carry a transaction Charge. These charges vary by country/region and are [explained here](#)

The Pay-out to your Bank account will happen automatically in 7 days rolling after the payment is processed. You can also configure the pay-out schedule on the Stripe Dashboard. There may be additional charges for the Pay-out depending on the Pay-out schedule you choose. The exact Pay-out amount will be mentioned in the Stripe Payment Dashboard. You can also view all the Transaction History on the Stripe Payment Dashboard including status of each transaction.
